

# 7 Reasons to choose Volk Insurance Group as your Independent Insurance Agent

Insurance is complicated! You're not purchasing bread or milk. You are looking for a promise of protection that could potentially make or break your financial well-being. How do you know that the policy you are choosing is right for your individual situation? Are you sure you are getting the best possible value for your dollar? The options can seem overwhelming.

Volk Insurance Group has been providing insurance protection coupled with priceless advice to our clients since 1981. We have seen first-hand how our clients have benefitted from having a relationship with our agency. Here are seven reasons why we believe working with our agency benefits you:

- 1 We give you a choice** – Our agency represents many different insurance companies that offer a wide variety of coverage options and price points. There is no need for you to accept one quote from one insurance carrier, we will do the shopping for you! With our relationships and knowledge of the industry, we can often find a better value for your insurance dollar than you might find searching on your own.
- 2 We are licensed** - Our agency can explain the complexities of insurance in simple terms, helping you make smart decisions. We make a career out of assessing our customers' insurance needs and matching them with the insurance carrier best equipped to meet those needs at a price that is affordable. Think about it. While you might research wording for "wills" on the Internet, you'll likely hire an attorney to ensure that the document is drawn up correctly. Why wouldn't you seek the advice of a licensed insurance professional to be certain that your home, your auto, or your business is properly protected?
- 3 We are advisors** – We work with you face-to-face, taking the time to listen to you and understand your individual needs. We know it's not just about finding a price you can afford; it's also about making certain you are appropriately covered so that you don't end up insurance-poor if you do suffer a loss.
- 4 We are your advocate** – If you have a billing or claim concern, or need to change your coverage, we are here for you and can be your advocate, working with the insurance company on your behalf when necessary.
- 5 We are local** – Our owner and employees are your neighbors. We live in or near your community, support local non-profits, school organizations, sports teams and other local businesses. We pride ourselves on our knowledge of the surrounding area.
- 6 We offer one-stop shopping** – Our agency can meet all of your personal and commercial insurance needs with the numerous companies we represent.
- 7 We are consultants for a lifetime** – Our agency periodically reviews your insurance coverage. We are there to help you through all the changes in your life, whether you're going from renting an apartment to buying a home, starting a business, getting married, renovating your home, adding a teen driver to your auto policy, or looking to cover that retirement condo. We are simply a visit or phone call away to help you with all of your insurance needs.

**It doesn't matter who insures you, until it does!!!**
